1. Provide the President with ideas, direction, counsel, and support.
2. Report to the Executive Committee on Administration Committee activities.
3. Help to develop and refine long-range Chapter goals.
4. Review and amend job descriptions.
5. Develop and refine Executive Committee Membership criteria.

### **Section G3 - Relationships Committee**

Responsibilities:

1. Act as a liaison with outside interests who share goals similar to those of SFPE.
2. Bring organizations together to assist SFPE in meeting their long-term objectives.
3. Develop and maintain a calendar of fire protection engineering, related engineering associations and fire service organization activities.

Duties:

1. Coordinate with sister organizations, and bring topics of interest to the SFPE members.
2. Re-evaluate organizations with similar goals and set up liaisons with those organizations.
3. Maintain relationships with other organizations within the engineering community
4. Maintain liaisons with the fire service community.
5. Maintain liaisons with trade organizations, as appropriate
6. Expand relationships with the architectural community and building officials.
7. Represent the Society of Fire Protection Engineers at functions of organizations.

### **Section G4 - Scholarship Committee**

Responsibility:

Coordinate the Chapter's Scholarship Program. Coordinate with local colleges in the development of fire and life safety curricula.

Duties:

1. Solicit applicants.
2. Present recommendations to the Executive Committee.
3. Notify recipients.
4. Arrange for the transfer of funds.
5. Present each recipient with a framed Award Certificate and check at a designated chapter meeting.
6. Act as a liaison for local colleges and universities and assist in providing other resources and information, as needed.

### **Section G5 - Symposium Committee**

Plan, organize and execute the annual fire protection engineering symposium.

Duties:

1. Select and secure venue
2. Procure speakers and organize event.
3. In coordination with the treasurer, develop budget and pricing, and obtain approval from the executive board.
4. Confirm final arrangements and preside over the event.
5. Present each speaker with a framed Appreciation Certificate.
6. Send thank you notes to speakers.
7. Provide final accounting to the chapter and executive board.

### **Section G6 - Golf Tournament**

Responsibility:

Plan, organize and execute an annual golf tournament, to benefit chapter projects.

Duties:

1. Select and secure venue
2. Organize event, prizes, participants and sponsors.
3. Develop budget and identify cost variables, obtain approval from the treasurer and executive board.
4. Confirm final arrangements and preside over golf tournament.
5. Provide final accounting to the chapter and executive board.
6. Recommend to the board proposed distribution of funds generated.

### **ARTICLE H – AWARDS AND RECOGNITIONS**

This article describes Chapter awards formally created by the Executive Committee. SFPE officers, committees or the members may make additional special awards and recognition, as the occasion may arise.

#### **Section H1 - Honorary Membership**

The purpose of this Chapter award is to recognize persons who have made a highly significant contribution to the profession and to the Chapter. Nominations must be made by a Chapter member or by the Executive Board. The Executive Committee will determine if the individual meets the criteria. The honoree shall be exempted from paying annual chapter dues, and may be given complementary attendance at specific chapter events.

#### **Section H2 - Past President Recognition**

Past Presidents will be recognized during a business meeting each year. Their names shall be inscribed on the Past Presidents' plaque, which will be displayed at general business meetings.

### **ARTICLE I – PARTICIPATION IN PUBLIC AFFAIRS**

Each member of SFPE is urged to actively participate in and lend his or her talents to public issues. In such activities, the individual member is free to express opinions and espouse positions. In general he or she is no more restricted than any other member of the public. An SFPE member does, however, have some special obligations. When speaking as a fire protection engineer, he or she is obliged to base engineering positions on the application of engineering principles and to clearly separate these from any position based on facts other than engineering determinations. When speaking as a qualified engineer, each member is urged to use membership in SFPE as part of any statement of qualifications. It is essential, however, that the member properly state his or her grade of membership and not ascribe or connote Chapter endorsement, unless such is formally obtained.

The Chapter, as appropriate, may actively participate in public issues. The prime objective is to emphasize the importance of the engineering aspects of the issues, and the need or advantage of using qualified fire protection engineers. It is proper for SFPE to point out the need for, or failure to properly involve and attend to, fire protection engineering in public issues. It is also appropriate for SFPE to serve the public by providing an unbiased engineering analysis of an issue or the proposed solutions. It is, however, inappropriate for SFPE to lobby for the adoption of a specific position on any other basis.

**ARTICLE J – CONFLICTS**

If any of the contents of these By-laws conflict with the Constitution, the Constitution will govern.

**ARTICLE K – AMENDMENTS TO BYLAWS**

These Bylaws may be amended by affirmative vote of at least a two-thirds majority of the Executive Committee. Notices of proposed amendments and the reasons therefore shall be mailed to all members of the Executive Committee not less than thirty days prior to a vote. Voting may be by email ballot should circumstances require.

All amendments to the Bylaws shall be reported to the membership as soon as possible through posting on the Chapter website, and announcement at the next regular business meeting of the Chapter.

The entire membership shall have access to the complete text of the Constitution and Bylaws, as currently amended, through posting on the Chapter website.

### CHAPTER HISTORY

**The Southern California Chapter of the Society of Fire Protection Engineers was founded on January 6, 1955. Meetings are held on the second Monday of each month, except July and August. There is a gala holiday meeting held in December, and a golf outing held in the spring. Presently, the meetings alternate between the Monterey Hills Restaurant in Monterey Park and other venues. The Society also sponsors regular tours to Southern California facilities that are of interest to the fire protection engineer.**
